

Advanced Math Pathways — Summer 2026

Keep fresh on your math skills during our summer of STEM fun! Each week, students will rotate through four stations: Math and Art, Technology and Coding, Puzzles and Games, and Math Mania.

Students may also create an individual project or study plan. Please contact us to arrange an interview if you are interested in this option.

- Free and open to students in Kindergarten through 6th grades
- To register, visit the web page at <https://riverbendmath.org/pathways/> or contact Amanda Serenevy amanda@riverbendmath.org 574-339-9111
