

Riverbend Prototyping Team — Fall 2025

The Prototyping Team is for self-directed students who design, produce, and lead hands-on activities for our STEM outreach programs, especially our Advanced Math Pathways program at the Martin Luther King Jr. Dream Center. Team members will learn skills such as math tutoring, leading activities for small groups, running a laser engraver and 3D printer, drafting new designs in CAD, working with digital electronics components, soldering, and using tools.

- Open to students in 6th through 12th grades
- Students who are at least 14 may apply to be paid for their work. Starting rate is \$12/hour. Students may also earn volunteer hours.
- To apply, visit the web page at <https://riverbendmath.org/prototyping/> or contact Amanda Serenevy amanda@riverbendmath.org 574-339-9111
