

Riverbend Prototyping Team — Summer 2026

The Prototyping Team is for self-directed students who design, produce, and lead hands-on activities for our STEM outreach programs, especially our Advanced Math Pathways program at the Martin Luther King Jr. Dream Center. Team members will learn skills such as math tutoring, leading small groups, running an XY Plotter and 3D printer, drafting designs in CAD, teaching strategy games, and working with digital electronics components.

- Open to students in 6th through 12th grades
- Students who are at least 14 may apply to be paid for their work. Starting rate is \$12/hour. Students may also earn volunteer hours.
- To apply, contact Amanda Serenevy
amanda@riverbendmath.org / 574-339-9111
Parents of students under 18 will need to complete a registration form:
